Emmanuel Israel

Software Engineer

09014604044

emmanuelisrael497@gmail.com

SKILLS AND PROFICIENCIES

- Java, HTML, CSS, jQuery, PHP, SQL, React, Node.js, Python
- Teamwork, multitasking, and attention to detail
- Software and web development

RELEVANT COURSES

- Computer Science I and II
- Discrete Mathematics
- Data Structures and
- Algorithms
- Computer Organization and
- Architecture
- Operating Systems

CERTIFICATES

- Web development certification (CK digital)
- *React certification course by Maximilian Schwarzmüller (udemy)*
- *The complete Node.js developer by Maximilian Schwarzmüller (udemy)*

CAREER OBJECTIVES

Dedicated and results-driven professional aspiring to leverage my expertise in software engineering to contribute to innovative projects and solutions. Proficient in JavaScript Python, and Java, I am committed to utilizing my strong technical skills and problem-solving abilities to develop high- quality software applications. Eager to collaborate with dynamic teams and stay abreast of emerging technologies in the ever-evolving field of software development.

WORK HISTORY

Software Engineering Intern
Information Connectivity Solutions Limited
may 2024 - October 2024

Completed a six-month undergraduate trainee program at ICSL, focusing on front-end development. Redesigned key pages and enhanced the user interface for the ICSL website, optimizing accessibility and improving user experience across devices.

Developed a cloud-based human resources information system, consolidating employee information from various databases and servers.

EDUCATIONAL BACKGROUND

Bachelor of Science in Computer Science
University of Lagos, Nigeria 2018-present
